Question applies to Commission on Disability Issues

If applying to the Commission on Disability Issues, the Commission requires that 9 of the 13 members have a disclosed disability, as defined by the federal ADA. Are you willing to disclose a disability to serve on this Commission?

Question applies to multiple boards

Why are you interested in serving on a board or commission?

Hi, I am Ben Bond, a multiply disabled advocate with physical disabilities and Dyslexia, who is currently employed at Disability Belongs, advocating at the national level. I have served in local and municipal capacities as a disability commissioner for the City of New Haven, CT, and Food In Service to the Homebound (FISH) in New Haven County. I am deeply committed to disability issues and immersed in disability culture, and it would be an honor as a resident of Ann Arbor to serve our disability community in this capacity as a commissioner.
