Dear Wendy Rampson,

I know you are being presented with a revised site plan to develop a road (Lambeth) in the Landsdown neighborhood that will provide access to new condos. I hope you will not agree with this.

Families have chosen and lived in the Landsdown area for generations now. They chose this location because of its safety for children and homeowners. We have very little vandalism or use of emergency services because of the nature of the neighborhood. **DO NOT LET A CONDO GROUP INTERFERE WITH THE SAFETY OF OUR CHILDREN AND OUR NEIGHBORHOOD. OUR CHILDREN WALK TO SCHOOL IN A VERY CONTROLLED ENVIRONMENT. DO NOT LET AN OUTSIDER DEVELOP A FREEWAY THROUGH OUR NEIGHBORHOOD ON A WHIM THAT IT WILL HELP THEM, NOT US. WE DO NOT NEED THESE DRIVE THROUGHS. LET THE CONDO ASSOCIATION GROUP SOLVE THIS PROBLEM FOR THEM WITHOUT INHABITING OUR NEIGHBORHOOD. WE WERE HERE FIRST AND DO NOT NEED THE EASEWAY. LOOK AT OUR EMERGENCY USE DATA. IT DOES NOT SUBSTANTIATE THIS CHANGE. THE FIRE MARSHAL DOES NOT REQUIRE THIS ADDITIONAL ENTRANCE TO THE CONDO COMPLEX. THEREFORE, PLEASE RESPECT THE RESIDENTS WHO'VE BEEN HERE A LONG TIME INSTEAD OF HAVING THE CONDO BUILDERS, WHO WILL NOT LIVE HERE, HAVE THEIR WAY.**

Sincerely,  
Jacquie Baird and Bruce Spiher

**NOTE:**

- Please hear us and deny this use.
- New developments should not negatively impact established neighborhoods.
