Subject: Please approve the CLUP to keep moving it forward

I hope this email finds you both well! I have had the privilege of sharing my comments with you in person and via email in the past few months. I write to encourage City Council to approve the latest draft of the Comprehensive Land Use Plan (CLUP) so it can move into the 63-day review period. Allowing the CLUP process to continue moving forward is crucial to working towards a more equitable Ann Arbor.

As I have mentioned in previous communications with you and the Planning Commission, I appreciate the time, effort, and energy city staff and commissioners have put into the various drafts of the CLUP. In the process, I myself have learned a great deal more about the history of Ann Arbor's housing policies (including the intentionally segregated and exclusionary ones), urban planning, and the civic process the CLUP includes.

I continue to be in strong favor of an expansive, inclusive, just, and abundant framework for housing in our Ann Arbor. Moving the Comprehensive Plan to the public review period will allow us to continue working towards a vision (and reality) of Ann Arbor that works much better for more people. Thank you for your time.
