Since you have not updated to include the motion to fire the city administrator I will respond to this. I am appalled by CM Eaton and Lumm and the insistence on wasting taxpayer dollars on personal grievances. We are in the middle of trying to make Ann Arbor net-zero and to do this with no public notice with no opportunity for anyone to discuss it is the height of poor governance. CM Nelson, in particular, should show some personal leadership and vote no on the resolution to fire to the city administrator.
