Attn: Ms. Sara Long
Emergency Management and Homeland Security Division
Michigan Department of State Police
PO Box 30634
Lansing, Michigan 48909

Reimbursement for the EMPG program is contingent upon completion of the activities in the signed *Emergency Management Annual Work Agreement*. In order to remain eligible for EMPG funding, current and adequate plans must be maintained and exercise requirements must be met. If a work activity is not completed in the designated quarter, reimbursement may not be made until the work is completed. The Emergency Management and Homeland Security Division District Coordinators may make recommendations on reimbursement, but final approval remains with the Deputy State Director of Emergency Management and Homeland Security, who may or may not approve a delay in the completion of the activity. If work activities (for which funds have been withheld) have not been completed by the end of the fiscal year, forfeiture of those funds may be required. As a recipient of funding from the U.S. Department of Homeland Security, you are responsible for the management and fiscal control of all funds. These responsibilities include accounting for receipts and expenditures, maintaining adequate financial records, and refunding expenditures disallowed by federal or state audit. For specific responsibilities and requirements, please refer to Section II (Statutory Authority) and Section IV (Responsibilities of the Subrecipient) in the Fiscal Year 2017 EMPG Grant Agreement.

This grant agreement and all required attachments must be completed, signed, and returned **no later than November 1, 2017**. If this requirement is not met, this grant agreement will be invalid after November 1, 2017, unless a prior written exception is provided by the Michigan State Police, Emergency Management and Homeland Security Division.

Sincerely,

Purpose

The purpose of this grant agreement is to provide federal pass-through funds to the Subrecipient for the development and maintenance of an emergency management program capable of protecting life, property, and vital infrastructure in times of disaster or emergency

The FY 2017 EMPG program plays an important role in the implementation of the National Preparedness System (NPS) by supporting the building, sustainment, and delivery of core capabilities essential to achieving the National Preparedness Goal of a secure and resilient Nation. The objective of the NPS is to facilitate an integrated, all-of-nation/whole community, risk driven, capabilities-based approach to preparedness.

In support of the National Preparedness Goal, the FY 2017 EMPG program supports a comprehensive, all-hazard emergency preparedness system to build and sustain core capabilities across the Prevention, Protection, Mitigation, Response, and Recovery mission areas.

For more information on the NPS, federally designated priorities, and the FY 2017 EMPG objectives, as well as guidance on allowable costs and program activities, please refer to the FY 2017 EMPG Notice of Funding Opportunity (NOFO) located at <http://www.fema.gov/grants>.

For guidance on allowable costs, please refer to the FY 2017 EMPG NOFO, specifically Appendix B.
- C. This grant agreement designates EMPG funds for the administration and oversight of an approved emergency management program. **The Subrecipient may utilize grant funds for the reimbursement of salary, overtime, compensatory time off, and associated fringe benefits for the local emergency manager, and up to 5% of the total allocation may be utilized for M&A costs.** No other expenditures are allowed. **If M&A costs are claimed, a narrative must be submitted detailing the expenses that are included in these costs.**
- D. The FY 2017 EMPG program has a 50% cost share (cash or in-kind) requirement, as authorized by the *Robert T. Stafford Disaster Relief and Emergency Assistance Act*, as amended, (Pub. L.
