The waiver of any breach by any party to this Agreement shall not waive any subsequent breach by any party.

If funds are not appropriated or otherwise made available, the City shall have the right to terminate this Agreement without penalty at the end of the last period for which funds have been appropriated or otherwise made available by giving written notice of termination to Contractor. The Contract Administrator shall give Contractor written notice of such non-appropriation within 30 days after the Contract Administrator has received notice of such non-appropriation.
- D. The expiration or termination of this Agreement shall not release either party from any obligation or liability to the other party that has accrued at the time of expiration or termination, including a payment obligation that has already accrued and Contractor's obligation to deliver all Deliverables due as of the date of termination of the Agreement.
- E. If City Council does not consent to the appointment of Sue McCormick as Interim Public Services Area Administrator, or does not approve the terms of this Agreement, the City reserves the right to terminate this Agreement.
