Good afternoon,

My name is [REDACTED] and I was hoping you could either help me, or point me in the right direction.

Me, my fiancé, my mother, and my 2 ESA pups are moving to Michigan from Florida, our last day here (in FL) will be November 15th.

My fiancé already landed a job in Ann Arbor, I work from home, and my mom is currently a kitchen manager, and interviewing.

We are having a really hard time getting anyone to accept our rental applications because we aren't physically in the state and the only renters I have found that will let us apply, and are within our price range, are mobile home communities. We are completely fine with mobile homes, I just wanted to reach out and see if there was a way to get in contact with owners/personal landlords, or any other outlets I can use on my hunt to find our home in Michigan.

I apologize if I am way out of line or luck with emailing you, but I am exhausting every option I can find.

Thank you so much for your time.

Best regards,

[REDACTED]
