The Design Review Board discussed the design plan for the proposed 1208 South University Avenue & 610 South Forest Avenue development project on December 11, 2024. The Design Review Board proposed the following comments and recommendations for this site plan application:

- 1. Support for the replacement of EIFS with metal panels.*
- 2. Concern over the balcony railing color.*
- 3. DRB satisfied that the comments from the previous DRB meeting (December 2023) have been addressed.*
- 4. Overall support for the design, materials, and consideration of the site context.*
- 5. Pay special attention to Guidelines A1.7 and A4.1 as they relate to the need to minimize the potential for pedestrian/bike conflicts with motorized vehicles.*
