[19-1706](#) Staff Liaison Report

1. Landmark Tree Maintenance Program: the committee is interested in supporting the care and maintenance of Ann Arbor's large trees. They encourage the Parks Maintenance staff to bring treatment recommendations to the committee for consideration on a case-by-case basis.

2. Leslie Science & Nature Center: the committee is very interested in supporting this project, but have the following questions addressed before moving forward with a vote:

- What is the anticipated longevity of the trees post-treatment.

- What chemicals are proposed to be utilized for this project?

- Is the LSNC Board in favor of trying to salvage these trees or do a

total replacement?

- Is there a plan in place to begin planting successor trees?
