Dear Planners,

I am not in favor of changes being proposed to the Lower Burns Park neighborhood. There are so many problems to be considered that I think you need to slow down the process. I suggest that we need some neighborhood focus groups to study, in depth, what affects the proposed changes would have. Things like infrastructure, airbnbs, how to make the area affordable, taxes - and the list goes on - need a great deal of consideration.

I've been living in this neighborhood for 44 years and have loved it!!

Sincerely,

Joan Rose
