

Homework and Study Guide

To effectively prepare for the September 2018 Transportation Commission meeting please review materials hyperlinked within the meeting agenda.

Additionally, please review materials included and referenced within this study guide. These materials have been compiled to provide background and information to guide Transportation Commission discussion.

Citizen Input and Process for City Street-Related Improvement Projects

Staff will share the neighborhood input process for City-initiated and AAPS-initiated street improvement actions (excluding routine street repair, maintenance, re-surfacing) with the Transportation Commission at the September 12 meeting. See [R-18-275](#) for additional background.

Community Engagement Toolkit

As the Community Engagement Toolkit is referenced throughout the staff response memo for R-18-275 staff have planned time to introduce the Commission to this existing tool.

Connected Transportation Environment

For additional background review slides 43-71 of the [June 21, 2017 Transportation Commission meeting presentation](#).

New Councilmember Orientation

To prepare for a discussion about a potential Transportation Commission orientation for new Councilmembers, begin brainstorming the following:

- What top priority transportation topics would you like City Council to focus on?
- What Transportation Commission accomplishments would you like to share with new Councilmembers?
