Subject: Pontiac Trail/Barton Drive intersection

I am concerned about the traffic at the corner of Pontiac Trail and Barton Drive. It is clear that changes to this intersection are needed. Please do not schedule any changes to the intersection until you meet with the residents of the neighborhood.

Making any changes to this intersection will have an impact on our homes. Because we will bear the brunt of any construction and changes to traffic patterns at this intersection, our input and concerns need to be heard before any changes to this intersection are scheduled.
