Subject: sidewalk on Geddes between Earhart and Huron Parkway

Hello,

I am writing to inquire if the city is planning a sidewalk on Geddes between Earhart and Huron Parkway. I occasionally see folks running / biking / walking on this stretch of Geddes, which could be really dangerous. I also think a sidewalk here (in addition to the existing Gallup Park path) would be really helpful to use non-car transportation to and from the city and UM.

please let me know how I can advocate for this important stretch of road without a sidewalk or multi-use path.

Thanks,
