Subject: Bike paths

Please, please, no more bike paths

My husband & I have biked many many miles in and around Ann Arbor. We also have been residents here for more than 60 years, UM graduates, left for a couple of years and then returned.

Observing the present bike paths, rarely being used. Have heard another narrowing of State street all the way to the expressway.

Ann Arbor is being ruined with all the narrowing of streets and posts everywhere.

Please, enough is enough!!

Thank you.

Jeanette & Chuck Hescheles
