Dear City Council and Transportation Commission,

I just wanted to express my thanks for the new crosswalk on Fifth between Blake and the library. I had not realized this project was in the works until I saw the work happening over the past few weeks and I have used it to cross a number of times despite the current bus detours.

I used to cross here without a crosswalk all the time (and saw many many other people doing the same), so it's wonderful to finally have a marked crosswalk with RRFBs.

Was this a DDA project?

Please pass my gratitude along to staff.

Thanks for all you do,
Adam Jaskiewicz (he/his)
