Resolution to Approve a Right-of-Way License Agreement with Pheenix USH LLC for the Operation of Dockless Electric Micromobility Devices in the City of Ann Arbor

Proposed Substitute Resolution:

Whereas, Providing mobility options to Ann Arbor residents is an important and necessary function of this government to help foster the continued adoption of active transportation opportunities;

Whereas, The A2Zero Carbon Neutrality Plan and the Moving Together Towards Vision Zero Transportation Plan both call for electric and shared mobility such as e-scooters and e-bikes to achieve our sustainability and mobility goals;

Whereas, E-scooter and e-bike share service gives people a healthy, affordable option for making short trips and can expand the reach of transit service;

Whereas, Encouraging multi-modal transportation through non-motorized options is a necessary and important tool for reducing vehicle miles traveled on our roads and increasing the viability of our City;

Whereas, While encouraging multi-modal transportation, it is critically important to make every reasonable effort to ensure the proper and safe operation of e-scooters and e-bikes on the public right-of-way;

Whereas, The City has entered into several agreements with Spin in the past five years, R-19-180, R-20-184, R-21-226, and R-23-099, and the proposed Right-of-Way License Agreement with Pheenix USH LLC is substantially similar to the previous Spin agreements; and

Whereas, It is also a necessary function of local government to permit use of the public right-of-way to ensure that all commercial uses are not obstructive and contribute positively to the public's wellbeing;

RESOLVED, That City Council approve the Right-of-Way License Agreement with Pheenix USH LLC for the Operation of Dockless Electric Micromobility Devices in the City of Ann Arbor;

RESOLVED, That the Mayor and City Clerk be authorized and directed to execute said agreement after approval as to substance by the City Administrator and approval as to form by the City Attorney;

RESOLVED, That the City Administrator be authorized to extend said agreement for up to three (3) additional quarterly periods at the City Administrator's discretion; and

RESOLVED, That the City Administrator be authorized to take necessary administrative actions to implement this resolution.
