

## MEMORANDUM

TO: Park Advisory Commission

FROM: Josh Landefeld, Parks & Recreation Services Manager

DATE: April 18, 2023

SUBJECT: Resolution Recommending Approval of Fiscal Year 2024/25 Fee Adjustments for Parks & Recreation Services

Attached for your consideration and recommendation is a resolution authorizing fee adjustments for FY 2024/25. Each year, in conjunction with the preparation of the budget, Parks & Recreation Services review fees to determine if the costs of the services are appropriate in relation to comparative data, while considering increases in operating costs.

Parks and Recreation Services is proposing fee increases for boat rentals at Argo and Gallup Liveries, various golf fees at Leslie Park and Huron Hills Golf Courses that would begin in the start of calendar year 2024.

The attached proposed fee increases document shares the date the proposed fees were last increased and for many of them it has been several years. While the percentage rate increase is in some cases large, when it is considered over the length of time since the last fee increase most of them are less than 3% annually. As these proposed fee changes are at the golf courses and liveries, there are several connected fees that staff needed to consider and adjust during this process. With many greens' fees increasing, it appropriate to increase the season pass fees and tournament fees as well.

All proposed fee increases have a corresponding comparative data document. These documents compare our proposed fees to those charged in other communities for similar programs or services. The proposed fees, when compared to those charged by other communities, are competitive and typically more affordable than most.

Parks & Recreation Services awards scholarships to income eligible Ann Arbor resident families. Scholarships are awarded based on need and there is not a limit on the number awarded. The scholarships provide for reduced or free program and admission fees.

Staff are recommending that Council approve these fee changes as part of the FY 2024/25 budget process.
