Dear Mr. Barrett,

We, John D. Speth and Lisa C. Young, who reside at 816 Third St., are neighbors of Dane Wiebe and Lehti Keelmann, the residents of the subject property, 819 Third Street, for which the "Alteration to a Nonconforming Structure" is requested.

We support their application for this "Alteration to a Nonconforming Structure" because it will not change the existing footprint of the house. The design of the addition greatly enhances the visual appeal of their house and is well chosen to fit the style and aesthetics of neighboring houses. We have no objections to the granting of this alteration for the construction of the proposed addition to the subject property.

Thank you for taking our views into consideration when the Zoning Board of Appeals evaluates Dane and Lehti's request.

Sincerely,

John D. Speth

Lisa C. Young
