

- Replace X with Bluesky
  - Per A2 Gov's Communications Director's suggestion
  - Functions as how social media should be
  - A2 gov will be transitioning to Bluesky except for AAPD due to release of information to the media in a timely manner.
  - But does that mean we need to remain on X?
    - We are not reposting AAPD's information/posts
  - Blue sky does have verification to build credibility – more legitimate
    - There is no cost associated for applying for verification
      - Ann Arbor ICPOC vs Ann Arbor ICPOC.bsky.social
