Support for Downtown Library Rezoning

Good afternoon,

In advance of the Planning Commission meeting today, I wanted to share my strong support for the proposed rezoning of the AADL's downtown branch. Any development that brings housing and density to the site while also modernizing the library is a real win-win move that will benefit residents, businesses, and library patrons alike. I urge the Commission to give the AADL the tools it needs to pursue these plans.

Thank you,
