**Subject:** Circle K redevelopment

I would like to add my full support to the **Preliminary alternative plan** for the redevelopment of Circle K gas station. As my neighbors have so thoroughly explained, the alternative plan takes into consideration pedestrian safety on Packard, the lighting issue, and the issue of the placement of the traffic and pumps away from the houses on Iroquois. My home is on Iroquois, but at the Stadium end of the street, therefore the redevelopment of the gas station does not directly affect my home. But I certainly support my neighbors and their concerns for this matter. Thank you for your dedication to our city.
