Hello Mrs. Bellinger.

First, please do not direct any other emails to Ms. Melanie Thon. Jannine Kadri, Deputy District Director for Congresswoman Debbie Dingell has replaced her with respect to the Congressional side of this investigation.

I understand you will be here today, Wednesday, but I am not available to meet with you at this time. However, I am very hopeful that we can finally come to a resolution of this rental dispute and the associated activities surrounding it.

To this end I would like to meet with you, perhaps on a zoom platform, to discuss this issue. Please understand that I am desirous of having present experts in HUD policy and procedure, Michigan landlord-tenant law, the LIHT-C affordable rent program, and finally an expert in the Housing Choice Voucher program, formerly known as Section 8.

Thanks for your time and understanding; I believe I have a commitment from two of these individuals, and I will do my utmost to secure the other persons of interest for our meeting as quickly as humanly possible.

Take care and God bless you.
