Subject: 732 Packard

I'm writing to oppose this development on State and Packard because I feel it is way out of scale for the neighborhood. It is monstrously huge and will forever change the character of this residential neighborhood. I suggest something more on the order of 6 stories if you have to demolish 12 houses. The amount of demolition happening in this part of town is truly frightening. If it must happen, at least make the replacement somewhat closer to the residential nature of the area.

Thank you.
