I found this group to be a delight socially but civics wise, accomplished very little. I got left off an email list from them ages ago and I'm not sure why.

Please remove my name from your list as I'm honored to have been a part but need to take my time to places where I'll have more impact.

Kind regards - Angela

Hello Angela,

I am reaching out because your term with the Downtown Development Area Resident Consultancy Council (DDARCC) expires on May 31, 2025.

If you wish to seek reappointment to the DDARCC, please send Maura Thomson (mthomson@a2dda.org) and I an email confirmation by January 24, 2025. Also, please complete a new application on the City's website (<http://a2gov.granicus.com/boards/forms/460/apply>).

If you decide you do not wish to seek reappointment, please notify Sarah Alanis (salanis@a2gov.org) with a cc to Maura Thomson and to me by January 24th.

Thank you.
