Thank you for updating the draft plan. The updates are great improvements and I appreciate all of the work you all have done - and the care that you've taken to solicit community feedback. As you continue to update and provide direction for zoning, I'd ask you to continue to simplify and make it easy for the rezoning to happen quickly and simply once the Council approves.

Thank you again for all of your work on this and ensuring an Ann Arbor that is affordable and welcoming and dynamic for my family and our great community.

Sincerely,
Bennett

LEARN MORE

The second draft of the Ann Arbor Comprehensive Land Use Plan is here! You can find it on the [project page](#), alongside the first draft for comparison, the project timeline and engagement efforts.

The city planning commission is currently scheduled to review the second draft at its Tuesday, June 24, and Tuesday, July 1, meetings, both of which have been moved to start at 5:30 p.m.

As of now, there is one more draft to produce prior to the plan entering the 63-day review period, as required by the Michigan Planning Enabling Act.

Thank you for staying engaged in this process!

Sincerely,
