Good morning Ralph,

Please be advised that participants wishing to speak on the transportation commission meeting should raise their hand via zoom to indicate that they wish to speak. The public speakers will each be given a total of 3 minutes to speak on whatever issue they wish to bring forth to the commission, lastly each public speaker will be given a courtesy 30 second heads up before their speaking time is up.

Thank you and we look forward to your participation

Thanks so very much for sending this information, as the Website doesn't provide the Zoom link, or at least I didn't see it.

Do we need to request to speak in advance of a meeting? If so, we would like to request an opportunity to do so.

Thanks,
