For Planning Commission Meeting of June 6, 2023

**SUBJECT: Lockwood of Ann Arbor PUD Zoning Text Amendment for City Council Approval
(2195 East Ellsworth)
File No. REZ23-0002**

PROPOSED CITY PLANNING COMMISSION MOTION

The Ann Arbor City Planning Commission hereby recommends that the Mayor and City Council approve Lockwood of Ann Arbor Development (2195 East Ellsworth) Planned Unit Development (PUD) Zoning Text Amendment.

STAFF RECOMMENDATION:

Staff recommends that the text amendment to the Lockwood of Ann Arbor PUD Zoning Supplemental Regulations be **approved** because the revision is consistent with the intent and findings of the previously approved Lockwood of Ann Arbor PUD zoning district.

LOCATION:

The site is located on the south side of East Ellsworth, east of Stone School Road and adjacent to Forest Hills Co-operative.

SUMMARY:

The site plan and PUD Zoning were approved in December 2020. The building is currently under construction. An ALTA survey conducted by the petitioner during construction revealed that the building foundation was slightly over the east and south setbacks. The petitioner is requesting to adjust the east side setback by 4 feet from 144 feet to 140 feet and the south side setback by 4 feet from 68 feet to 64 feet. No new construction is proposed, there are no other changes to the site plan or Zoning regulations.
