Subject: Proposed 228 Packard Development

Hello,

As someone living in Ann Arbor, I know there is NO need for another luxury apartment. The price of housing in Ann Arbor is already high especially for students and fresh grads like myself. Hiking up the rent by building a luxury apartment/retail center will hurt students and Ann Arbor citizens. The dorm being build right down the road by the University of Michigan has ruined enough of that neighborhood. There is no need for making things worst.

Best,

Madeleine Munoz
