

Joe,

Please accept this as a notification of my resignation from my position as a member of the Ann Arbor Energy Commission, September 10, 2024.

While serving on the Commission has been a truly valuable experience, recent developments have made it increasingly difficult for me to fulfill my responsibilities to the full extent that I believe they require.

I want to express my sincere gratitude for the opportunity to serve the community and work with such dedicated individuals. I wish the Commission continued success in its efforts to promote sustainability in Ann Arbor.

Thank you for your understanding.

Sincerely,

Cherish Smith
