

Transportation Commission – Shared Active Transportation/Micro-Mobility Committee

Prospective Committee Member

The following community member is seeking appointment to the Transportation Commission Shared Active Transportation/Micro-Mobility Committee:

- Larry Keeler
- I serve on the Commission on Disability issues and on the Land Acquisition Committee (LAC). I'm interested in transportation issues especially those that effect persons with disabilities. I would like to be a liaison between this committee and other entities which I'm involved in. Also, I am an interested member of the public.
