**Subject:** Support the Resolution to Study Braun Court

Hello Historic District Commissioners.

I encourage you all to support the resolution to study making Braun Court an historic district. This little neighborhood embodies the values of many chapters in the story of Ann Arbor, from its original creation as workforce housing to its welcoming center for the LGBTQ+ community over the years. It would be great to see the return of the little local restaurants and stores that were unique and appreciated. Stabilizing the future of these buildings would make those returns much more realistic.

Thank you for your consideration.

Respectfully,

Julie Ritter
