Ms. Beaudry,

Please circulate this proposed amendment

Proposed amendment of DC-3 Resolution to Encourage Transportation Collaboration

Replace the current resolved clause with these two resolved clauses:

Resolved, That prior to approving a transportation-related Request for Proposal or contract, City staff will collaborate with and explore cost sharing opportunities with the City's community partners, including but not limited to, the University of Michigan, Washtenaw County, Washtenaw County Road Commission, Michigan Department of Transportation, Washtenaw Area Transportation Study, and SEMCOG.

Resolved, That City staff will seek opportunities for working with experts from the University of Michigan or other appropriate local colleges and universities.

Thank you,
Jack
