Introducing a vast collection of home interior and exterior products that express home design in every way imaginable.

TruExterior®
Siding & Trim

TRIM

The Freedom To Create **Your Custom Look**

TruExterior offers you the versatility to create virtually any custom look that you want for your homes. With the ability to cut, miter and route TruExterior Trim, you can shape your perfect profile and know your trim will outlast traditional wood.

- Better workability compared to wood, fiber cement or engineered wood trim

- Installs with standard woodworking tools and methods
- No edge sealing of cuts required
- Pre-primed and ready to paint any color
- Available in 16' lengths

Woodcraft Wood Screen Door

Category: [Screen Doors](#)

Tag: [Wood Screen Doors](#)

Bring fresh air and sunlight into your home with the Woodcraft screen door from Screen Tight. This door is made from premium clear wood and features mortise & tenon construction, similar to how cabinetry is made, to provide extra durability and strength. The beautiful natural finish ready to be sealed, painted or stained to match your home's design.

- Premium clear wood craftsmanship ready to paint or stain
- Mortise and tenon construction to prevent sagging or warping
- Charcoal fiberglass screen installed with .155 inch spline and can be easily removed for painting and screen repair
- Easy-to-trim [wood screen door](#) frame allows you to trim 3/8 inch off the top, left and right sides and up to 1 inch off the bottom
- Reversible handing for right or left-handed use
