

## Homework and Study Guide

To effectively prepare for the October 2024 Transportation Commission meeting, please review materials hyperlinked within the meeting agenda.

Additionally, please review materials included and referenced within this study guide. These materials have been compiled to provide background and information to guide Transportation Commission discussion.

---

### Public Communication

The following communications to the Transportation Commission email account have been received over the course of the past month (as of 10/11/24):

- 

### State Street (S. University – William) Resurfacing Project

This project includes underground utilities work and resurfacing of State Street (William to South University) and North University (State to Fletcher). Construction is anticipated to occur on State Street in 2025 and North University in 2026. This presentation includes proposed cross section changes to State Street.
