INDEPENDENT AUDITOR'S REPORT

To the Board of Commissioners
Ann Arbor Housing Commission
Ann Arbor, Michigan

Report on the Financial Statements

Opinions

We have audited the accompanying financial statements of the business-type activities of the ***Ann Arbor Housing Commission***, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the ***Ann Arbor Housing Commission's*** basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the ***Ann Arbor Housing Commission***, as of June 30, 2022, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the ***Ann Arbor Housing Commission*** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the ***Ann Arbor Housing Commission's*** ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the *Ann Arbor Housing Commission's* internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the *Ann Arbor Housing Commission's* ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis (pages 4 to 9) be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge

we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the ***Ann Arbor Housing Commission's*** basic financial statements. The accompanying financial data schedules and schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the financial data schedules and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 21, 2022 on our consideration of the ***Ann Arbor Housing Commission's*** internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the ***Ann Arbor Housing Commission's*** internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering ***Ann Arbor Housing Commission's*** internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2022

MANAGEMENT'S DISCUSSION AND ANALYSIS

The Ann Arbor Housing Commission (the Commission) management's discussion and analysis is designed to {a} assist the reader in focusing on significant financial issues, {b} provide an overview of the Commission's financial activity, {c} identify change in the Commission's financial position (its ability to address the next and subsequent year challenges), and {d} identify individual fund issues or concerns.

Since the Management Discussion and Analysis (MD&A) is designed to focus on the current years activities, resulting changes and currently known facts, please read it in conjunction with the Commission's financial statements (beginning on page 10).

FINANCIAL HIGHLIGHTS

The Commission's net position decreased by \$445,513 during 2022. This decrease is primarily generated by the Section 8 Mainstream program for which the HAP funding from HUD decreased in order to use up net reserves/fund balance from prior years for this program. Additionally, Central Office recorded a loss that is mainly due to one-time expenses related to the purchase of an additional software module, the construction of maintenance office space, purchases related to the long-term storage of agency documents as well as tenant services expenses not covered by other contracts. The loss in the Central Office Cost Center is off-set by prior year's fund balance.

The overall revenue of the Commission increased by \$4,789,219 (or 22%) during 2022, and was \$26,776,430 and \$21,987,211 for FY22 and FY21 respectively. The increase in revenue is mainly the result of funding from the affordable housing millage through the City of Ann Arbor as well as awards/lease up of new vouchers in the Section 8 Mainstream program.

Financial Data Schedules - pages 23-32

The current presentation focuses on both the Commission as a whole (Commission-wide) and the major individual funds. Both perspectives (Commission-wide and major fund) allow the user to address relevant questions, broaden a basis for comparison (year to year or Commission to Commission) and enhance the Commission's accountability.

Commission-Wide Financial Statements

The Commission-wide financial statements (see pages 10-12) are designed to be corporate-like in that all business type activities are consolidated into columns which add to a total for the entire Commission.

These Statements include a Statement of Net Position, which is similar to a Balance Sheet. The Statement of Net Position reports all financial and capital resources for the Commission. The statement is presented in the format where assets, minus liabilities, equals "Net Position", formerly known as equity. Assets and liabilities are presented in order of liquidity.

The focus of the Statement of Net Position (the "Unrestricted Net Position") is designed to represent the net available liquid (non-capital) assets, net of liabilities for the entire Commission. Net Position (formerly equity) are reported in three broad categories:

Net Position, Net Investment in Capital Assets: This component of Net Position consists of all Capital Assets, reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

Restricted Net Position: This component of Net Position consists of restricted assets, when constraints are placed on the assets by creditors (such as debt covenants), grantors, contributors, laws, regulations, etc.

Unrestricted Net Position: Consists of Net Position that do not meet the definition of "Investment in Capital Assets" , or "Restricted Net Position".

The Commission-wide financial statements also include a Statement of Revenues, Expenses, and Changes in Fund Net Position, similar to an Income Statement. This Statement includes Operating Revenues (such as rental income), Operating Expenses (such as administrative expenses, utilities, maintenance expenses and depreciation), and Non-Operating Revenues and Expenses (such as capital grant revenue, investment revenue or interest expense).

The focus of the Statement of Revenues, Expenses, and Changes in Fund Net Position is the "Change in Net Position", which is similar to Net Income or Loss.

Finally, a Statement of Cash Flows is included, which discloses net cash provided by, or used for operating activities, non-capital financing activities, and from capital and related financial activities.

Fund Financial Statements

Traditional users of governmental financial statements will find the Fund Financial Statements presentation more familiar. The focus is now on Major Funds, rather than fund types. The Commission consists of one major fund and is shown here as an Enterprise Fund. Enterprise Funds utilize the full accrual basis of accounting. The Enterprise method of accounting is similar to accounting utilized by the private sector accounting. Many of the funds maintained by the Commission are required by the U. S. Department of Housing and Urban Development (HUD). Others are segregated to enhance accountability and control.

The Commission's Programs

Enterprise Funds, using Business-Type Presentation Format-

Section 8 Housing Choice Voucher Program - Under the Housing Choice Voucher Program, the Commission administers contracts with independent landlords that own rental property. The Commission subsidizes the family's rental contribution through a Housing Assistance Payment (HAP) made to the landlord. The program is administered under an Annual Contributions Contract (ACC) with HUD. HUD provides funding to cover the HAP and administrative costs for the number of subsidy allocations awarded, with participants paying 30% of gross income and with approved exceptions, up to 40% of gross income on rent and utilities.

Mainstream Program - For the Mainstream program, much like the Housing Choice Voucher Program, the Commission administers contracts with independent landlords that own rental property. The Mainstream program is specifically for households with a non-elderly family member with a disability. The Commission subsidizes the family's rental contribution through a Housing Assistance Payment (HAP) made to the landlord. The program is administered under an Annual Contributions Contract (ACC) with HUD. HUD provides funding to cover the HAP and administrative costs for the number of subsidy allocations awarded, with participants paying 30% of gross income and with approved exceptions, up to 40% of gross income on rent and utilities.

ANN ARBOR HOUSING COMMISSION
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2022

Major Factors Affecting the Statement of Net Position

The decrease in Capital Assets is the result of the annual accumulated depreciation for FY22.

Current and other Liabilities increased by \$578,813 as a result of a significant increase accounts payable that is largely due to program growth. Unearned revenue related to grant funding decreased from FY21 to FY22 while current Compensated Absences increased year-over-year.

Unrestricted Net Position decreased mainly as a result of the operating loss for FY22.

Table 2 presents details on the changes in Unrestricted Net Position

(1) Depreciation is treated as an expense and reduces the results of operations but does not have an impact on Unrestricted Net Position.

While the results of operations is a significant measure of the Commission's activities, the analysis of the changes in Unrestricted Net Position provides a clearer change in financial well-being.

MAJOR FACTORS AFFECTING THE STATEMENT OF REVENUE, EXPENSES, AND CHANGES IN FUND NET POSITION.

- The change in Unrestricted Net Position reflects a loss of \$445,513 for FY22. This loss is primarily due to operating losses related to the Section 8 HCV/MTW and Mainstream programs, most of which was due to lower funding from HUD to utilize net reserves/ fund balance. The Central Office Cost Center also finished the year off with a loss which was largely due to one-time expenses as noted in the financial highlights on Page 4.
- The increase in Operating Subsidies and Grants is due to additional funding for the Section 8 HCV/MTW, Mainstream and EHV programs.
- Tenant Services expenses are higher than the prior year mainly due to additional service contracts with local non-profit providers.
- Maintenance expenses are lower FY22. This is due to additional janitorial services provided in FY21 for the safety of tenants and staff due during the COVID-19 pandemic that were reduced in FY22.
- General expenses are significantly higher than prior year for FY22. This is mainly due to setting up an allowance for doubtful accounts and the associated bad debt expense for the principal balances of the loans made by AAHDC to Swift Lane directly as well as the FHLB funding that was received for the development of the Swift Lane (\$2,542,497). The additional increase is due to the additional accrued interest income that is being written off related to the loans for Swift Lane.
- Development Costs decreased in FY22 due to completing the portfolio RAD conversion with the final site, Swift Lane, in FY21
- The increase in Housing Assistance Payments is a result of increased lease-up and the award of new Emergency Housing Vouchers in

CAPITAL ASSETS

As of year end FY22, the Commission had \$97,926 invested in a variety of capital assets as reflected in the following schedule, which represents a net decrease (addition, deductions and depreciation) of \$26,183. The decrease from FY21 to FY22 is due to recognizing the annual accumulated depreciation.

ECONOMIC FACTORS

Significant economic factors affecting the Commission are as follows:

- Federal funding of the Department of Housing and Urban Development which is the primary source of revenue
- City negotiated union contracts which effect staff wage and benefit rates.
- Local/state economic conditions and employment trends, impacting resident incomes and therefore, the amount of rental income.
- Inflationary pressure on utility rates, supplies, and other costs.
- Significant rise in rental rates in the current rental market.
- Rental market changes, specifically the trend of property sales and increased rents above the tenant-based voucher amounts
- RAD Conversion of public housing to project-based vouchers and related development funding
- COVID-19 pandemic and associated operational and economic challenges

Ann Arbor Housing Commission

Notes to Financial Statements

For the Year Ended June 30, 2022

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies adopted by the *Ann Arbor Housing Commission* (the “*Housing Commission*”) conform to accounting principles generally accepted in the United States of America (U.S. GAAP) as applied to governmental entities.

The Housing Commission reports as a business-type activity, as defined by the Governmental Accounting Standards Board Statement No. 34, with programs and projects.

Financial Reporting Entity

The *Ann Arbor Housing Commission* is a discrete component unit of the City of Ann Arbor, Michigan. The Housing Commission is considered to be a component unit of the City because the City Council has the ability to impose its will upon the Housing Commission by appointing and removing a member of the Housing Commission’s Board of Commissioners before the expiration of his or her term.

The Housing Commission’s financial reporting entity is comprised of the special purpose government. In determining the financial reporting entity, the Housing Commission complies with the provisions of GASB Statement No. 14, as amended by GASB Statement No. 39, “*The Financial Reporting Entity*” and includes all component units, if any, of which the Housing Commission appoints a voting majority of the units’ Board; the Housing Commission is either able to impose its will on the unit or a financial benefit or burden relationship exists. There are no agencies, organizations or activities that meet the criteria.

The *Ann Arbor Housing Commission* was formed by the City of Ann Arbor, Michigan under Public Act 18 of 1933 of the State of Michigan. The Housing Commission operates under a Board of Commissioners appointed by the City Mayor.

These financial statements include all activities of the Housing Commission, which include Section 8 Housing Choice Vouchers (1,938 units including 336 RAD Project Based Voucher units, 237 Veterans Affairs Supportive Housing (VASH) for Homeless Veterans vouchers), 100 Non-elderly Disabled Vouchers and 32 Family Unification Vouchers). In addition the Housing Commission administers 251 units of Mainstream Vouchers (MS5) and 29 Emergency Housing Vouchers. These programs receive subsidies and annual contributions from the Department of Housing and Urban Development (“HUD”).

Basis of Presentation

The economic resources measurement focus and the accrual basis of accounting are used in preparing the financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Housing Commission are Federal grants and charges to customers for services. Operating expenses include housing assistance payments, administrative expenses, maintenance, utilities and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses. Following is a description of the Housing Commission's programs:

Other Project accounts for the revenue and related operations of the EHPA-NRMR Turnkey III Home buyer program.

14.871 Section 8 Housing Choice Vouchers Program accounts for the revenue and related operations of the Section 8 Housing Choice Vouchers grant program.

Business Activities accounts for the revenue and related operations of the Ann Arbor Housing Development Corporation, a 501c3 nonprofit organization.

Central Office Cost Center accounts for the revenue and related operations of the administrative offices.

14.879 Mainstream Vouchers Program accounts for the revenue and related operations of the Mainstream Vouchers grant program.

14.896 PIH Family Self-Sufficiency Program accounts for the revenue and related operations of the FSS grant program.

14.EHV Emergency Housing Vouchers Program accounts for the revenue and related operations of the Emergency Housing Vouchers grant program.

14.881 Moving to Work Demonstration Program accounts for the revenue and related operations of the Moving to Work Demonstration grant program.

When both restricted and unrestricted resources are available for use, it is the Housing Commission's policy to use restricted resources first, then unrestricted resources as they are needed.

Assets, Liabilities, Deferred Outflows / Inflows of Resources and Equity

Cash and Cash Equivalents

The Housing Commission's cash and cash equivalents are considered to be cash on hand, demand deposits and certificates of deposit with an original maturity of 90 days or less.

The amount of cash and cash equivalents – restricted recorded on the Statement of Net Position has been restricted for FSS escrow.

Receivables and Payables

All receivables and payables are reported at their gross value and where appropriate, are reduced by the estimated portion that is expected to be uncollectible.

Prepaid Expenses

Certain payments to vendors reflect costs applicable to future fiscal years and are recorded as prepaid expenses.

Capital Assets

Capital assets, which include property, buildings, equipment and leasehold improvements are reported in the financial statements. Capital assets are defined by the Housing Commission as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Donated capital assets are recorded at estimated fair market value at the date of donation.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

Depreciation is recorded over the estimated useful lives of the assets, using the straight-line method as follows:

Buildings	40 years
Equipment	5 – 10 years
Leasehold improvements	15 – 40 years

Deferred Outflows of Resources

In addition to assets, the Statement of Net Position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element represents a consumption of net position that applies to a future period and so will not be recognized as an outflow of resources (expense) until then. The Housing Commission has one item that qualifies for reporting in this category, which is the deferred outflows of resources related to the defined benefit pension plan. The deferred outflows of resources related to the defined benefit pension plan are reported in the financial statements.

Compensated Absences

It is the Housing Commission's policy to permit employees to accumulate a limited amount of earned but unused vacation days. The liability for these compensated absences is recorded as short-term and long-term liabilities based on historical trends. In accordance with the provision of GASB Statement No. 16, no liability is recorded for non-vesting accumulating rights to receive sick pay benefits.

Other Noncurrent Liabilities

This balance consists of amounts held in the Family Self Sufficiency Escrow account. These deposits are held in a separate account in accordance with the grant requirements.

Unearned Revenue

Unearned revenue represents revenue for the subsequent year that was collected prior to the end of the current fiscal year.

Deferred Inflows of Resources

In addition to liabilities, the Statement of Net Position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Housing Commission has one type of item that qualifies for reporting in this category, which is the deferred inflows of resources related to the defined benefit pension plan. The deferred inflows of resources related to the defined benefit pension plan are reported in the financial statements.

Equity

Equity is classified as net position and reported as the following components:

Net investment in capital assets – Consists of capital assets at historical cost, net of accumulated depreciation.

Unrestricted – Consists of all other equity that does not meet the definition of “restricted” or “net investment in capital assets”. Amounts that are legally restricted by externally imposed constraints that are placed on the use of resources by grantors, contributors, or laws or regulations of other governments are reported as restricted. At the end of the year, no portion of the Housing Commission's net position was restricted.

Notes to Financial Statements

For the Year Ended June 30, 2022

Revenues and Expenses

Operating revenues and expenses are those that result from providing services. Also included, all revenue and expenses not related to capital and related financing, noncapital financing, or investing activities. Expenses are classified as operating and nonoperating.

Estimates

In preparing financial statements in conformity with U.S. GAAP, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE B - DETAILED NOTES ON TRANSACTIONS CLASSES / ACCOUNTS

The following notes present detailed information to support the amounts reported in the basic financial statements for the Housing Commission's various assets, liabilities, equity, revenues and expenses.

Cash and Cash Equivalents

Deposit and Investment Risk

State law limits the allowable investments and the maturities of some of the allowable investments as identified in the following list of authorized investments.

- Bonds, securities, other obligations and repurchase agreements of the United States, or an agency or instrumentality of the United States
- Certificates of deposit, savings accounts, deposit accounts or depository receipts of a qualified financial institution
- Commercial paper rated at the time of purchase within the 2 highest classifications established by not less than 2 standard rating services and that matures not more than 270 days after the date of purchase
- Bankers acceptances of United States banks

Ann Arbor Housing Commission

Notes to Financial Statements

For the Year Ended June 30, 2022

- Obligations of the State of Michigan and its political subdivisions that, at the time of purchase are rated as investment grade by at least one standard rating service
- Mutual funds registered under the investment company act of 1940 with the authority to purchase only investment vehicles that are legal for direct investment by a public corporation
- External investment pools as authorized by Public Act 20 as amended through December 31, 1997

Interest Rate Risk

The Housing Commission's investment policy does not have specific limits in excess of State law on investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk

The Housing Commission's investment policy does not have specific limits in excess of State law on investment credit risk. At year-end, the Housing Commission had no investments and was therefore, not exposed to credit risk.

Custodial Credit Risk – Deposits

Custodial credit risk is the risk that in the event of a bank failure, the Housing Commission's deposits may not be returned. State law does not require and the Housing Commission does not have a policy for deposit custodial credit risk. At year-end, \$1,975,588 of the Housing Commission's bank balance of \$2,955,371 was exposed to custodial credit risk because it was uninsured, however, it was partially collateralized with government securities with a market value of \$1,006,675.

Concentration of Credit Risk

State law limits allowable investments but does not limit concentration of credit risk. The Housing Commission's investment policy does not have specific limits in excess of State law on concentration of credit risk. At year-end, The Housing Commission had no investments and was therefore, not exposed to concentration of credit risk.

NOTE D - OTHER INFORMATION

Concentration of Revenue

The Housing Commission is dependent upon the Department of Housing and Urban Development to fund its operations through operating subsidies and capital funding grants. Total revenue received from HUD for the fiscal year ended June 30, 2022 and 2021 was \$20,913,698 or 78% and \$19,309,929 or 88% of revenue respectively.

Risk Management

The Housing Commission is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Housing Commission manages risk through the purchase of commercial insurance. Management believes such coverage is sufficient to preclude any significant uninsured losses to the Housing Commission. Settled claims have not exceeded this commercial coverage in any of the past three fiscal years.

Pension Plan

The Housing Commission participates in the City of Ann Arbor Employees Retirement Plan (“CAAERS”). The City of Ann Arbor’s defined benefit pension plan provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Ann Arbor City Code Chapter 17.1 of the Ann Arbor Charter assigns the authority to establish and amend benefit provisions to the City Council. CAAERS issues a publicly available financial report that includes financial statements and required supplementary information for the plan. Housing Commission employees that were hired after January 1, 2017 are required to participate in a hybrid pension plan administered by the City of Ann Arbor Employees’ Retirement System. The hybrid pension plan is comprised of two components: a defined benefit plan and a defined contribution plan. Under the defined benefit plan, the Housing Commission contributes 6% of the employee’s wages with a 3% contribution from the employee. Retirement benefits under the defined benefit plan within the hybrid are calculated as 1.25% of the employee’s final five-year average compensation multiplied by the years of service for General members (non-Safety personnel). Employees vest 100% in the defined benefit plan after 10 years of service.

Under the defined contribution plan, the employees contribute 3% of their wages and the employer contributes 5.2% for General members. Employees vest 100% in the defined contribution plan after five years of service. That report may be obtained by writing to the City of Ann Arbor Employees’ Retirement System, 532 S. Maple Road, Ann Arbor, Michigan, 48103 or by calling (877) 994-4590.

The Housing Commission is invoiced by the City of Ann Arbor on a monthly basis for its required contributions. For the fiscal year ended June 30, 2022, the Housing Commission was invoiced at 26.02% of gross wages. Housing Commission employees are required to contribute 6% of their annual compensation. The contribution requirements of plan members are established and may be amended by the City Council.

The Housing Commission recorded deferred outflows of \$17,501, deferred inflows of \$9,072 and a net pension liability of \$83,679 for pension benefits offered to the Executive Director.

GASB 68 requires additional disclosures related to pension benefits; those required additional disclosures are included only in the financial statements of the City of Ann Arbor.

Postemployment Benefits

The Housing Commission participates in the City’s postemployment benefits plan. The City of Ann Arbor Retiree Health Care Benefits Plan is a single-employer defined benefit healthcare plan administered by the City of Ann Arbor Employees’ Retirement System. The plan provides certain health care and life insurance benefits for eligible retired employees and their dependents in accordance with Ann Arbor City Code Chapter 21. Health insurance benefits are provided through an administrative service contract which the City reimburses the administrator for claims paid plus an administration fee. The City of Ann Arbor Retiree Health Care Benefits Plan issues a publicly available financial report that includes financial statements and required

supplementary information for the plan. That report may be obtained by writing to the City of Ann Arbor Employees' Retirement System, 532 S. Maple Rd., Ann Arbor, Michigan, 48103 or by calling (877) 994-4590.

For the year ended June 30, 2022, the Housing Commission was invoiced and contributed \$129,446 which equated to approximately \$18,492 per enrollee. This plan has been closed to new hires.

Contingencies

Under the terms of certain Federal and State grants, periodic audits are required and certain costs may be questioned as not representing appropriate expenditures under the terms of the grants. Such audits could lead to reimbursement to the grantor agencies. Housing Commission management believes disallowances, if any, would be minimal.

In fiscal year 2015, the Housing Commission entered into a contractual agreement to transfer all employees of the Housing Commission, except the Executive Director, to the General Fund of the City of Ann Arbor. The Housing Commission is invoiced by the City of Ann Arbor on a monthly basis for all costs related to those former employees. The liabilities related to pension and other postemployment benefits of the transferred employees are not reported in the Housing Commission's financial statements because the amount of those liabilities cannot be reasonably estimated. Future costs related to pension and other postemployment benefits of the employees that were transferred to the City will be invoiced to the Housing Commission as they come due.

In fiscal year 2017, the Housing Commission obtained loans from the Federal Home Loan Bank ("FHLB"). The terms of the FHLB loans bear 0% interest and there is no payment due on the loans unless the Housing Commission fails to perform or keep any obligation or agreement of the Borrower provided in the application, regulations, policies and procedures, implementation plan or loan documents, within the next 15 years, therefore no debt is recorded on the financial statements.

Limited Partnerships / Low Income Housing Credits

The Housing Commission created a nonprofit entity, the Ann Arbor Housing Development Corporation for which the Housing Commission is the sole member. The Housing Commission has also created 4 for-profit limited partnerships (Maple Tower, River Run, West Arbor and Swift Lane) for the purposes of transferring the rights to use income tax credits available on low-income housing to investor limited partners. The Ann Arbor Housing Development Corporation is the single member entity of the for-profit general partnership members of the limited partnerships. The investor limited partners have paid in amounts to the Ann Arbor Housing Development Corporation (the general partner) for the right to use these low income housing credits. None of the equity of the limited partnerships is included in the financial statements of the Housing Commission.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Commissioners
Ann Arbor Housing Commission
Ann Arbor, Michigan

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of the *Ann Arbor Housing Commission*, a component unit of the City of Ann Arbor, Michigan as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the *Ann Arbor Housing Commission's* basic financial statements and have issued our report thereon dated December 21, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the *Ann Arbor Housing Commission's* internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the *Ann Arbor Housing Commission's* internal control. Accordingly, we do not express an opinion on the effectiveness of the *Ann Arbor Housing Commission's* internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the *Ann Arbor Housing Commission's* financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Commissioners
Ann Arbor Housing Commission
Ann Arbor, Michigan

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the *Ann Arbor Housing Commission's* compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of *Ann Arbor Housing Commission's* major federal programs for the year ended June 30, 2022. The *Ann Arbor Housing Commission's* major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the *Ann Arbor Housing Commission* complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the *Ann Arbor Housing Commission* and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the *Ann Arbor Housing Commission's* compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to *Ann Arbor Housing Commission's* federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the ***Ann Arbor Housing Commission's*** compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the **Ann Arbor Housing Commission's** compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding ***Ann Arbor Housing Commission's*** compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of ***Ann Arbor Housing Commission's*** internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the ***Ann Arbor Housing Commission's*** internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Notes to Schedule of Expenditures of Federal Awards
For the Year Ended June 30, 2022

Note 1 - Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of the ***Ann Arbor Housing Commission*** under programs of the federal government for the year ended June 30, 2022. The information in this schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the ***Ann Arbor Housing Commission***, it is not intended to and does not present the financial position, changes in net position or cash flows of the ***Ann Arbor Housing Commission***.

Note 2 - Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following cost principles contained in Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

For purposes of charging indirect costs to federal awards, the ***Ann Arbor Housing Commission*** has elected not to use the 10 percent de minimis cost rate as permitted by 2 CFR section 200.414 of the Uniform Guidance.

Note 3 - Subrecipients

None of the federal expenditures presented in the Schedule were provided to subrecipients.
