Dear Mayor Taylor,

For the last one and a half years, I have served as a member of the Center of the City – Council of the Commons. It has been a challenging, but I learned a great deal about local politics through my term. Sadly, I am writing to resign from my position. In May 2022, I finished my graduate degree in urban and regional planning from the University of Michigan. I spent a lovely last summer in Ann Arbor before moving out of state to pursue urban planning in Philadelphia, Pennsylvania a few weeks ago.

Heather Seyfarth has been a great mentor and staff lead on the Council of the Commons. I thank her for her service and dedication, and I think she can be helpful in finding a replacement for my position.

Thank you again for the opportunity to work on such a controversial and important project like the “Library Lot.”

Sincerely,

A handwritten signature in black ink that reads "Camilla Lizundia". The signature is fluid and cursive, with the first name being more prominent.
