

TO: Mayor and Council

FROM: Milton Dohoney Jr., City Administrator
Mariah Walton, Deputy City Administrator

SUBJECT: R-26-042 Signage
Resolution Reaffirming and Expanding the City of Ann Arbor's Policy
Regarding Civil Immigration Enforcement and Mitigating Erratic Lawless
Tactics with Intentional City Efforts

DATE: May 18, 2026

On February 2, 2026, City Council directed the City Administrator, via Resolution [R-26-042](#), to install signage on City-owned property indicating that such property may not be used for civil immigration enforcement activities, including as a staging area. City teams completed this work on April 8, 2026, installing a total of 87 signs. For your awareness, attached is a list of all facilities with their installation dates, along with an image of the signage.

In addition, the resolution directed the City Administrator to design and make available standardized signage for community members who wish to restrict civil immigration enforcement activities on their own property. This work has also been completed, including the launch of a public web page where residents can access the materials. The signage is available in English, Arabic, Bengali, Chinese, and Spanish. Our most recent analytics report, run on March 26, shows the webpage has received more than 458 visitors, with materials downloaded nearly 90 times.
