COMMUNICATIONS

F. Todoro-Hargreaves gave an update from her meeting with City Administrator, Milton Dohoney. In regards to the Unarmed Response Community Engagement; The City in collaboration with Public Sector Consulting has started scheduling meetings with stakeholders in the community. Several locations have been picked for group meetings: Michigan Immigrant Rights Center will host two meetings; one English, one Spanish. Other locations; Central Student Government, Community Action Network, Delonis Center, YMCA, Avalon Housing, and the District Library will host the LGBTQ + meeting. And Brighter Way will work jointly with Peace Neighborhood Center. In January, three public forums are scheduled. The City will notify the public.

New Police Chief Search

F. Todoro Hargreaves discussed the Police Chief Search. Currently the City has four executive search firms that have responded to the City's Executive Search Recruitment Services Request for Proposal (RFP). The RFP's are still in the process of being scored and a selection made. Once that is completed, the commission will be informed. L. Jackson suggested the commission inquire who and how the RFP's are being scored? And who makes that decision, qualifying the four firms? The chair suggested that ICPOC provide their input with a document on what we want to see as a new Chief for review and discussion at January's meeting.

AAPOA Negotiations Team

F. Todoro-Hargreaves met with the AAPOA negotiations team for an update. Also in attendance was City Administrator, Milton Dohoney, Vice Chair Stefani Carter. The March and April meeting passed on our comments and request. In October's meeting we asked about feedback on our request regarding the new contract. The union and the City have made progress and are close to a decision. One item is outstanding-end of Binding Arbitration (in termination). The AAPOA replied in the negative. The commission will remove our request from the table so the City and Union can move the current contract on to City Council. L. Jackson request information on the look-back period of four years on every kind of discipline.

S. Carter discussed the importance of attending monthly meetings and expectation when it comes to participating in the commission subcommittees.
