**Subject:** The George Project

Hello,

Please leave my name out of this report but...

I hope this project does not increase the current tenant's rent to help offset construction costs. The rent here is already very expensive and if it increased I would have to move. The parking lot can already be a bit of a cluster so adding 40+ more units I can't imagine what it would be like. I am not in favor of the project.

Thank you,

The George Resident
