<p>E-7 21-0083 ZBA20-033; 907 and 913 South Main Street Main + Davis LLC, property owner, is requesting a variance from planting the required street trees along S. Main St. as there is not sufficient public right-of-way width to plant trees. Section 5.20.10(B) requires one street tree of the minimum size and species meeting City standards shall be provided for every 45 linear feet of public street right-of-way abutting a site plan site. The property is zoned R4C, Multiple Family Residential District.</p>	<p>Donald Roof</p>	<p>As a nearby neighbor, I have no problem with the requested variance request for this project. There definitely is insufficient space between sidewalks and roadways for the planting of any trees.</p>	<p>Support</p>
