in the City of Ann Arbor, Washtenaw County, Michigan as PUD (Planned Unit Development District) in accordance with the attached Bais Jewish Resource Center PUD Supplemental Regulations, which are hereby adopted and incorporated into the Bais Jewish Resource Center PUD zoning ordinance.

Bais Jewish Resource Center PUD Supplemental Regulations

Section 1: Purpose

It is the purpose of the City Council in adopting these regulations to provide for a reasonable utilization of an existing historic structure and harmonious integration of residential and nonresidential uses. These regulations seek to promote development that minimizes negative impacts on the surrounding neighborhoods, streets, and parking.

Section 2: Applicability.

The provisions of these regulations shall apply to the property described as follows:

Lot 6 and part of Lot 5, Block 6, R.S. Smith's 2nd Addition, as recorded in Liber 48, Pages 40 and 41 of Plats, Washtenaw County Records, more particularly described as follows: Beginning at the southeast corner of Lot 6, Block 6, R.S. Smith's 2nd Addition to the City of Ann Arbor as recorded in Liber 48 of Plats, pages 40 and 41, Washtenaw County Records, Washtenaw County, Michigan, thence 90°00'00"W 78.00 feet along the north line of Hill Street; thence N 02° 26' 40" E 128.07 feet; thence N 12° 17' 21" E 33.64 feet; thence N 02° 26' 40" E 13.00 feet; thence S 88° 09' 00" E 71.00 feet along the north line of Lots 5 and 6 of said addition; thence S 02° 03' 00" W 171.63 feet along the east line of Lot 6 of said addition to the Point of Beginning, being Lot 6 and part of Lot 5 of said addition.

Further, the provisions of these regulations shall be adopted and incorporated into the Planned Unit Development (PUD) zoning. These regulations, however, are intended to supplement only those provisions in the City Codes which may be modified as part of a PUD, such as landscaping and parking, and shall not be construed to replace or modify other provisions or regulations in the City Codes which must be followed.

Section 3: Findings

During the public hearings on this Planned Unit Development, the Planning Commission and City Council determined that:

- A. The residential neighborhood surrounding the property described above contains a mixture of one- and two-family dwellings, fraternities, sororities, student cooperatives, multiple dwelling units, religious institutions, and learning facilities, many of which have historic character.
- B. It is in the best interest of the residents of the area and the City of Ann Arbor that the unique character and quality of the longstanding residential fabric of this existing neighborhood should be preserved, protected, and maintained by restricting land use and development on the parcel described above to that which will have a beneficial effect on and will not adversely affect the surrounding neighborhoods, in terms of public health, safety, and welfare.
- C. It is desirable to develop the property described above as a religious learning and worship center and three dwelling units because the dual uses will provide a religious

support amenity for students, faculty, and City residents, as well as provide housing and maintain the existing residential nature of the structure.

- D. The limited seating capacity of the religious center, the restrictions on the number of residents of the housing units, and the provided parking spaces present additional safeguards against negative impacts on neighboring single-family residential housing and demand for on-street parking.
- E. The religious denomination whose practices include prohibiting the use of vehicles on certain days will mitigate a portion of the need for onsite parking and the impact on the neighborhoods and surrounding street system.
- F. The PUD will facilitate the continued restoration and maintenance of the interior and exterior of an historic structure by allowing the mixed use and providing a source of income for the owner.
- G. The parcel described above meets the standards for approval as a Planned Unit Development, and the regulations contained herein do not constitute the granting of special privileges nor deprivation of property rights.
