Hello Jon,

Just found photos online from 19 Ridgeway that illustrate sight from their house to our yard. The photo below is their 2nd floor bath - the tall window is in their shower & looks directly into our garden & patio.

2 more photos to follow.

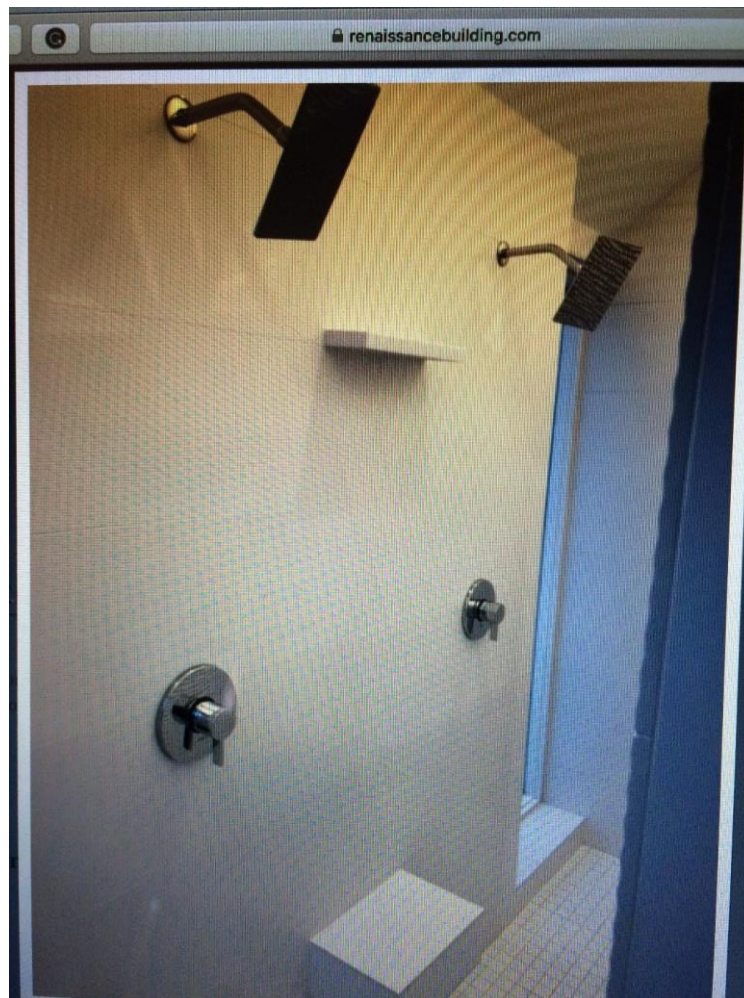

Thank you,
Susan Bass

Hi,

Photo from inside shower. Window from previous photo is on the right that looks directly into our yard ; there is another floor-to-ceiling window on the left side of the shower wall-same view into the garden.
