**Subject:** Proposed Student Housing between Pontiac Trail and M-14

Dear Planning Commission,

I'm writing in opposition to the proposed student housing between Pontiac Trail and M-14. This is a wonderful development opportunity for City of Ann Arbor family housing and/or affordable family housing which is desperately needed. The City has green lighted numerous new student apartment developments in recent years and it's great to see these high quality upscale living areas for the students and clearly it drives economic development for the City. That said, our City needs to be more thoughtful in balancing the scale for family housing, especially since new family housing is a rare commodity within City limits.

Thank you for your time.
