The purpose of this message is to express strong support for the request presented by Chima Ozor in ZBA21-042 to add a small room to the back of the Ozor residence at 1455 Kelly Green Drive, Ann Arbor 48103. My home is directly across the street from the Ozor residence and I think it is necessary for accessibility for her husband and will result in improved care for him by the family. Our neighbors have expressed their support.

Thank you for considering this request.
