Hello Planning Commissioners,

I am unable to make tonight's meeting but I am writing to express my opinions on the zoning and planning questions being considered related to Transition districts and multi-family housing. As a resident and home owner of Ann Arbor I want to live in a town that is focusing on looking forward, not backward.

If we are going to grow and transform as a city in an environmentally and socially just way, building more housing, and allowing that housing to build up rather than out will be critical.

Thank you for your time,  
Alissa
