Dear Planning Commission,

I am writing to support the Ann Arbor Community Land Trust's petition for a UDC Residential zone text amendment submitted by Sarah Lorenz on April 1st.

The requested changes are limited in scope and align with your work engaging the public during the Comprehensive Land Use Plan drafting period. This amendment is a simple way for housing developers to create affordable homes quickly and provide some relief to Ann Arbor's housing shortage.

Thanks you for your work,  
Eric Shalayko
