Subject: Support for Ryan Pantaleo Variance Requests for 311 E. Ann and 526 Detroit Street

We are writing to support Ryan Pantaleo's variance requests for 311 E. Ann and 526 Detroit Street. Ryan took the right steps in consulting with Jill Thacher and getting approval from the HDC. Secondly, we appreciate the quality of his work, and thirdly the projects add much-needed housing to our area.
