Hello,

I'd like to share a really sad video. I think it is a critical watch.

[https://twitter.com/downtownlascan/status/1555337654543126528?s=21&t=8MxLLkkVZttKIS\\_wqDvRiw](https://twitter.com/downtownlascan/status/1555337654543126528?s=21&t=8MxLLkkVZttKIS_wqDvRiw)

I think it should be impossible for this kind of thing to happen in our city, structurally. This killed 7 people. One of those 7 was an infant. One was a toddler. Every person who has influence over our built environment from staff to electeds is culpable when a tragedy like this happens. Let's stop it before it occurs.

Best,  
Abdul
