Washtenaw County - Proposal 1

Renewal and restoration of the Enhanced Emergency Communications System Millage

Shall the limitation on the amount of taxes which may be imposed each year for all purposes taxable property in Washtenaw County, Michigan be increased by 0.200 mill (\$0.20 per thousand dollars of taxable value) for a period of ten (10) years, 2026 to 2035, inclusive, as a renewal of the 0.0960 mills previously authorized by the electors which expires with the 2025 tax levy as reduced by the operation of the Headlee amendment, plus new additional millage as a restoration of 0.009 mills, for the sole purpose of providing funds to the County for the acquisition, renovation, maintenance, upgrade and operation of the County's Enhanced Emergency Communications System, including the potential construction of additional towers, upgrading the existing infrastructure, purchasing equipment, and paying for maintenance and user fees? If approved and levied in full, this millage will raise an estimated \$4,493,654 when first levied in 2026.

Renewal and restoration of Veteran's Relief Millage

Shall the limitation on the amount of taxes which may be imposed on taxable property in the County of Washtenaw, Michigan, be increased by 0.100 mill (\$.10 per thousand dollars of taxable value) of the taxable value for a period of eight (8) years, 2024 to 2031, inclusive, as a renewal of that portion of the 0.100 mill authorization previously authorized by the electors in 2016 as reduced by the operation of the Headlee amendment, which was 0.0960 mill in 2023, plus new additional millage representing a restoration of the amount equal to the amount reduced by operation of the Headlee amendment, which was 0.004 mill in 2023, to provide funds to Washtenaw County for the purpose of funding the Washtenaw County Department of Veterans Affairs' provision of financial relief and services for Washtenaw County veterans, including the payment of eligible indigent veteran claims, and to fund the administration of the department? If approved and levied in full, this millage will raise an estimated \$2,197,389 when first levied in 2024.

City of Ann Arbor Proposal A

Ann Arbor City Charter Amendment Creation of a Sustainable Energy Utility

The City of Ann Arbor proposes to create within its boundaries an opt-in, publicly-owned Sustainable Energy Utility ("SEU") to (i) supply, generate, transmit, distribute, and store electricity, heat, cooling, light, and power (all from renewable sources); and (ii) provide energy-related services. The SEU could, for example, provide individual or networked rooftop solar panels, heat pumps, geothermal systems, or batteries to customers to supplement existing utility services. The

SEU will be fee-based. This proposal does not authorize new taxes.

Shall the Charter be amended to authorize the City to establish, construct, own, and operate an opt-in Sustainable Energy Utility?
