Subject: Notice of Public Hearing Commentary

To whom it may concern,

I am writing as a brief follow-up to my previous email sent on October 15, 2025.

I would like to respectfully request that, should any plans to demolish the houses on Mary Court be approved, all construction activities be postponed until Summer or Fall 2027. The majority of current residents are juniors or second-year law students who will be graduating in 2027. By waiting until after our graduation to begin demolition, you would help ensure that these students are not placed in the difficult position of having to find new housing before completing their studies. Additionally, this would allow real estate agents to inform any future tenants well in advance that the properties will not be available for the 2027–2028 school year.

Thank you very much for your time and thoughtful consideration.

Sincerely,

Dahlia Gottlieb
